Nashville, TN 37215

Dear Mr. Green:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000739), dated May 1, 2015, in which you requested "an itemized list of products and services provided by Harris Corporation to the Federal Acquisition Service under the 2013 contract Procurement ID: GS09T13BHP0006."

Please find the enclosed the information responsive to your request. The information is the Schedule of Supplies/Services issued under the Request for Quote ID09130019 issued to Harris Corporation. The document indicates the 2 (two) radios purchased by GSA. The main distinction between the two radios is that one radio has GPS capability, the other radio does not.

This completes our action on this request. Should you have any questions concerning this matter, please contact Ms. Karina R. Levitas at (415) 522-2730 or by email at [karina.levitas@gsa.gov](mailto:karina.levitas@gsa.gov).

Sincerely,

*Travis Lewis*
